Vatsalya – वात्सल्य (Motherly Love)

-By Rajeeva Nayan Pathak

*A mother's love is like a warm embrace,
A bond that nothing can erase,
She holds her son with tenderness,
And nurtures him with all her finesse.*

*She watches him grow with pride,
Guides him through life's every stride,
Her love knows no bounds or ends,
It's a selfless love that she extends.*

*Just like a mother, teachers tend,
To each student like their own blend,
Their love for teaching knows no bounds,
It's their fervent passion that astounds.*

*They help students reach for the stars,
And instil in them courage to face all scars,
Their selfless love and tireless care,
Is a testament to the love they always share.*

*let us cherish together these special bonds,
The love of mothers and teachers beyond,
For they shape our lives with love and care,
And help us become who we're meant to be, rare.*

"Education is the most powerful weapon which you can use to change the world" — Nelson Mandela
